

Meeting the New State Standards:

Depth of Knowledge Instructional Shifts in Literacy with Performance Tasks and Technology

December 6, 2016 & March 6, 2017

Room: Clark/MCOE

Room: Clark/MCOE

Register Now! Free Workshop!

Participants will experience instructional shifts in literacy to meet the new state standards and will leave with an actual plan to implement in their classrooms.

- * BASED ON THEORY AND CLASSROOM EXAMPLES:
- * Blooms Taxonomy of Question, Answer, Relationships (QAR)
- * Sentence Construction Variations - Sentence Patterns and Parallel Structure
- * Integration of technology through daily performance tasks
